Job Title: Director of Transplant Hepatology - West Coast

Location: Portland, OR

Institution: OHSU; Department of Medicine

Director of Transplant Hepatology

Join the Division of Gastroenterology and Hepatology at Oregon Health & Science University (OHSU), Oregon's only public academic health center. OHSU ranks among the best hospitals in the country and is the No. 1 hospital in Oregon, according to U.S. News & World Report.

Position Highlights:

- Leadership role working alongside the Director of Hepatology and a robust transplant team of 26 physicians, 6 APPs, 1 psychologist, and 1 dietician
- State-of-the-art Transplant Center
- Assistant to Full Professor ranking available
- 3+ years of experience as a practicing Transplant Hepatologist at an accredited Liver Transplant Center

Financial Highlights:

- Strong compensation: \$20,000 sign-on bonus, \$20,000 relocation assistance, and a guaranteed base salary + production incentives
- Fantastic benefits package: PTO, Sick Leave, Parental Leave, and 6% 401k employer contribution and match

Community Highlights:

- Exceptional public, private, and charter schools, along with top-ranked universities
- Vibrant arts scene, strong sports culture, and picturesque outdoor recreation
- Live near the Pacific Ocean, Cascade Mountains, and Willamette Valley
- Easy travel access via Portland International Airport
