

## Psychiatry Residency Program Director – Department of GME

**Great opportunity for a motivated professional (current PDs/APDs/Core Faculty) focused on building a premier Psychiatry program with a top-rated community-based health system in NE Indiana.**

Parkview Health is seeking an experienced clinician and dedicated leader to develop and lead a new **Psychiatry Residency Program (4-6 residents per year; size to be determined by Program Director and Behavioral Health Institute leadership) as the Program Director** within the largest health system in northeast Indiana and northwest Ohio. Fort Wayne, Indiana is the region's hub and consistently ranks as one of the best places to live in the United States.

### Highlights Include:

- Access to \$12 million renovation for Parkview Graduate Medical Education programs
- Dedicated administrative support from the Office of GME; you will NOT be restricted by a lack of resources
- Current ACGME-accredited programs in IM and GS will soon be reviewing candidates for their first classes starting July 2022
- On-site, newly built Continuity Clinic and dedicated GME space
- Fully integrated EMR for outpatient and inpatient encounters
- A socioeconomic- and disease-diverse patient population
- Dedicated research programs for residents
- A commitment to diversity
- A proactive and comprehensive wellness program
- Launching additional GME programs in FM and OB/GYN
- **The Parkview Behavioral Health Institute**, a 107-bed acute care facility providing comprehensive inpatient and outpatient services to patients of all ages, is **Northeast Indiana's Only Inpatient Mental Health Services for Children & Adolescents**.
- Benefit from the mentorship of senior national experts in GME and program accreditation, a robust infrastructure, and state-of-the-art technologies, backed by one of the largest and most comprehensive health systems in the country recently **ranked Top 15 by Fortune/IBM Watson Health™**.
- Indiana is ranked as one of the **nation's top "physician friendly"** states with low-cost malpractice coverage, low managed care, simple licensing process, and more.

The successful candidate for this unique leadership opportunity will contribute to the application for ACGME accreditation of a new, fully sponsored Psychiatry Residency program located in Fort Wayne, IN. As a financially-sound (Moody's Bond Rating of Aa3), community-focused, expanding health system backed by strong leadership and Board support, Parkview Health has invested significant resources towards the development of more than ten medical residency programs during the next five to seven years, creating both economic and health benefits for the region.

### Professional Qualifications:

The Program Director will be a BC/BE physician who is well seasoned clinically but who also has the academic background necessary in Psychiatry to help create and to achieve the goals and objectives of the Founding Psychiatry Residency program at Parkview Health.

- Board Certification by the American Board of Psychiatry or hold credentials deemed equivalent to Certification by the ACGME's Psychiatry RRC.
- Eligible for unrestricted medical licensure in the State of Indiana prior to the start of appointment.
