

The Department of Physical Medicine and Rehabilitation
at
Spaulding Rehabilitation
Division Chief of Pediatric Rehabilitation

Spaulding Rehabilitation is seeking board-certified Physiatrists for the Division Chief of Pediatric Rehabilitation, which has an accompanying appointment at the Associate Professor or Professor level at Harvard Medical School (HMS). The incumbent will support the clinical and research mission of Spaulding and the HMS Department of Physical Medicine and Rehabilitation. Candidates should meet the requirements for appointment at the rank of Associate Professor or Professor at HMS. The successful candidate will be expected to lead and grow a set of pediatric rehabilitation clinical and research programs and provide oversight of teaching and training. An established record in administration; basic science, clinical and/or outcomes investigation; and mentoring residents and faculty members is required.

All positions are based at Spaulding Rehabilitation and/or Massachusetts General Hospital, other Mass General Brigham member hospitals and outside hospitals.

We are an equal opportunity employer, and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Please send CV and cover letter to Kelly Lombardo (klombardo@mgb.org)
