

Montefiore Health System and Albert Einstein College of Medicine are conducting a search for the position of ***Chief, Division of Dermatology***. In this role, the physician-scientist leader will have overall responsibility for operations, finances, and strategy in Dermatology. The incoming Chief will lead and grow existing high-performing clinical, research, and educational programs. He/she will have a record of success spanning collaborative clinical leadership, administrative management, research program development, individual scholarship, educational excellence, successful faculty recruitment, and community engagement. There are currently 17 full- and part-time academic faculty, 26 voluntary faculty, and 20 residents and 6 fellows. Of note, outstanding achievement in the Division has prepared the path for potential transition to an independent Department.

Spencer Stuart is assisting with the search process. For more information, to provide nominations and/or express interest, please contact: Raquel Lentnek via e-mail (preferred) at rlentnek@spencerstuart.com or phone (212) 336-0266.
