

**Ochsner LSU Health Shreveport**  
**Chief Executive Officer**

Ochsner LSU Health System, based in Shreveport, Louisiana, seeks an experienced, seasoned leader to serve as its next market Chief Executive Officer (CEO). This is an exciting opportunity to lead the continued growth of what has become a highly effective partnership between Ochsner Health System (OHS) and Louisiana State University (LSU), impacting nearly a million customers in North Louisiana as well as portions of Texas and Arkansas.

Anchored by a well-regarded Academic Medical Center in Shreveport, Louisiana, the market is completed by numerous ambulatory assets, a robust and growing LSU Faculty Physician group (over 500), and two additional acute care facilities. The health system is governed by a 50/50 partnership agreement overseen by an equally represented Board that rotates Board Chair responsibilities every two years between OHS and LSU.

Reporting to Ochsner Health System's EVP/COO, the CEO will build long-lasting and trusting relationships with community and governmental partners to drive systemness and accountability across the market. The successful candidate will be an operationally focused, results-oriented executive with a substantive track record of leadership working within a defined and mature dyad model. Candidates will also possess a keen understanding of teaching programs in medicine and experience leading comparably sized and complex health systems or hospitals.

Please direct all inquiries, nominations, and applications to Jim King, Dan Young, and Tiffany Johnson through the WittKieffer Candidate Portal by clicking [here](#). For additional information, please contact Tiffany Johnson via email at [tjohnson@wittkieffer.com](mailto:tjohnson@wittkieffer.com) or 916.536.6888.
