Dear Meet & Greet Sponsors:

Every year, we look forward to the Cipriani Meet & Greet Networking Event, which gives us the opportunity to connect industry leading partner companies with the T. Howard Foundation (THF) talent pool.

Over the last few weeks, the Executive Committee of the Board of Directors have discussed and expressed their concern regarding the coronavirus (COVID-19) and the safety of our guests and supporters of the Foundation.

As a result, they agreed that it is in the best interest of the safety of our guests, supporters, and the T. Howard team to **postpone** our Cipriani Meet & Greet Networking Event. Needless to say that we will continue to monitor the situation closely.

As soon as we identify a new date, we will be back in touch and look forward to seeing you soon at our 2020 Cipriani Meet & Greet Networking Event.

Please note:

1. All Meet & Greet company sponsors will receive a digital copy of the Meet & Greet Resume Book including the 60+ candidate resumes and profiles (including contact information) so that they can continue to source and identify qualified candidates for their current internship and/or post-grad hiring needs. The digital Resume Book will be available on or before Wednesday, March 18.
  - a. If needed, Co-Sponsors, Premier and Premier Plus Sponsors can continue to receive interview scheduling assistance through Tuesday, March 31 for any candidates they would like to interview via phone or Skype.
2. Upon confirming a new event date, we will re-open registration for job seekers and sponsors; however, you will maintain your current sponsor benefits. Additionally, you will receive an updated Resume Book that will include all new candidates that have registered for the new event date.

If you have any questions, please do not hesitate to let us know.

On behalf of the T. Howard Foundation, we thank you for your patience and understanding.

Best regards,  
LaShika
