There are many elder law attorneys available in Leon County to assist seniors and their families with guardianship, power of attorney and other matters. A list of these attorneys and other, related resources can be found at the web site above or by calling the number above.

MISCELLANEOUS

Medicare now covers many mental health screenings at no cost; however, not all providers are eligible for the Medicare payment. Always ask whether your health care provider will accept your insurance/Medicare or other form of payment before you receive services. Questions about Medicare coverage can usually be answered by reviewing information at medicare.gov or calling 1-800-633-4227.

Mental Health Resources were researched and written by

Nick Schrader, MSW, Southside Outreach Assistant Coordinator.

Senior resources are a service of Tallahassee Senior Center & Foundation.
