2020 Election Voter Information

Voting Options

With the 2020 General Election approaching, and the COVID-19 crisis still prevalent in our community, it is important to consider all of your voting options. There are three ways to vote: early voting, voting by mail, and voting at your local precinct on election day. Information on early voting sites, dates and times can be found at leonvotes.org/Voters/Early-Voting/Early-Voting-Polls. Be sure to bring a picture ID with your signature, to verify your identity. You can cast your ballot at the early voting location convenient to you, up to two weeks prior to the election. Requesting a Vote-by-Mail ballot is the next option:

To request a Vote-by-Mail ballot visit leonvotes.gov/votersonthego or call **(850) 606-8683**. To return your Vote-By-Mail ballot, either mail it in at least 5 days in advance of election day, or put it in a drop box at any of the early voting sites or the elections office. ***All requests for mail-in ballots must be made at least 10 prior to the election to have it mailed to you.*** Further information about Vote-By-Mail ballots can be found at leonvotes.org/vote-by-mail/vote-by-mail-information.

Finally, your last option is to vote at your local precinct on election day. In order to avoid congestion, try to vote at times other than the morning and evening rush hours, as well as the noon time rush. Also, don't forget to bring a picture ID with your signature.

If you are not registered to vote in the state of Florida, or if you need to update your voter registration call **(850) 606-8683**, or visit leonvotes.org. Once there, click on the **Voters** tab at the top of the page and select either **Register to Vote** or **Update Voter Registration**. ***If you have not voted in the past two federal primary elections, you may want to verify your active voter status prior to election day.***
