NFCS K-8 Drama Presents:

Grab your popcorn
and join us for our first
virtual live play!

Procrastinating on her homework, Alice falls asleep as she plays solitaire on her computer and wakes to find that she is now in Cyberland.

Alice learns from those she meets along the way — a caterpillar, the Cheshire Cat, the Mad Hatter, the March Hare, and a duchess—that she must find the dreaded Queen of Hearts in order to learn the password that will allow her to regain control of her computer!
