Living with Bipolar Disorder

A presentation of the American Foundation for Suicide Prevention

Monday, Jan. 13, 2020, 7:00-8:30 p.m.

Bipolar disorder is a treatable illness that can affect anyone. The film *Living with Bipolar Disorder* features three people who have received treatment and are living in recovery, as well as the widow of a man who died by suicide while most likely suffering from the illness. Viewers will learn essential information on the disorder and can find hope in knowing that it is treatable and manageable.

Q & A and discussion will be led by Annette Hoffman, Ph.D.

**LOCATION: Bridgeway, 93 Stickles Pond Rd.,
Newton**

Advance registration is not required.
