

## Family Education: There is Hope for Recovery with Borderline Personality Disorder

at the Mental Health Association of Essex and Morris

83 Spring Street, Suite 302B

Newton, NJ

Wednesday, February 19th, 6:30-8:30pm

THE NATIONAL EDUCATION ALLIANCE  
FOR BORDERLINE PERSONALITY  
DISORDER invites you to attend a panel  
presentation for families of individuals with  
this mental health condition. Sponsored  
by IFSS, Intensive Family Support Services  
of Sussex County, a program of the Mental  
Health Association of Essex and Morris.

This evening will be a panel presentation of families of The NEABPD, National Education Alliance for Borderline Personality Disorder to the families enrolled in IFSS or NAMI Sussex. Information on the diagnosis, symptoms and treatments will be discussed. Upcoming educational courses for families will also be reviewed.

Please call IFSS Sussex to register at 973-579-4399 ext.402 or  
email [cparmelee@mhaessexmorris.org](mailto:cparmelee@mhaessexmorris.org)

**Note:** Space is limited and registration is first come, first serve. This workshop is only open to family members/caregivers and close friends. The workshop is **free**.
