

RELAPSE PREVENTION AND REHOSPITALIZATION

Understanding your role as a
Caregiver.

A workshop for families of individuals with a mental health condition.

Please join IFSS Sussex in a discussion group designed to help caregivers identify early warning signs and intervene with techniques that may help reduce the risks.

February 27, 2019

6:30-830pm

IFSS Sussex

83 Spring Street, Suite 302B

Newton, NJ 07860
