

You're Invited Operationalizing School Safety Training

SPONSORED BY:

BROUGHT TO YOU BY:

Circle of Trust
Training Systems

HOSTED BY:

**Will County ROE and
Emergency Management**

An interactive, scenario-driven workshop that equips educators, administrators, and first responders with the tools to build, strengthen, and operationalize school safety teams.

Beyond theory, its practical, hands-on training designed to unite your team for the realities of crisis preparedness, response and recovery.

INSTRUCTOR

Learn from those who have
lived school safety.

Andy Arnold

Army Directorate of
Emergency Services,
(Fmr. Teacher, Law
Enforcement Officer &
"I Love U Guys"
Foundation Instructor)

Who should attend?

- School and district leaders
- School and district safety teams
- Law enforcement & first responders
- Community partners

Training Highlights

- **Unit 1:** Foundations
- **Unit 2:** Operationalizing School Safety Teams
- **Unit 3:** Communication + Table-Top Exercise
- **Unit 4:** Table-Top Exercises Using Incident Command System (ICS) Cards
- **Unit 5:** Law Enforcement and First Responder Coordination
- **Unit 6:** Drills and Reflections

Learning Outcomes

- Apply practical, real-world strategies to manage school safety incidents effectively.
- Define clear roles and responsibilities for all personnel during an incident.
- Demonstrate shared language, communication strategies, and coordinated response methods across teams.
- Integrate school, district, and first responder operations through the Incident Command System framework.
- Enable participants to build confidence by engaging in focused practice, then leveraging action in real-world scenarios.
- Develop tools and practices that build a culture of safety and empower confident, proactive action.
