**REQUEST FOR PROPOSALS**

## 2020 Patient Family Centered Care Conference Request for Proposals

Thank you for your interest in presenting at the **2020 Patient Family Centered Care Conference on September 21 and 22 at The California Endowment Center, Los Angeles, CA**. We welcome proposals that demonstrate a working knowledge of Patient Family Centered Care practices and engage patients and family caregivers in a partnership approach to improving outcomes.

### Your proposal is more likely to be accepted if you:

- Demonstrate person family centered care
  - *Patient Family Centered Care recognizes that the quality, safety and delivery of health care is improved when the expertise of health care providers is partnered with the experience of patients & families. From the bedside to the boardroom, patient & family centered care is about partnering to design policies, programs and individual care plans for the best possible outcomes for patients, their families and health care providers.*
- Show a clear partnership or co-design with patients, families or Advisors in all phases of the project/program
- Demonstrate impact to improve the quality, safety or experience of care or communities of health
- Patient Family Advisors (PFAs) as presenters

### Instructions for Proposal Submission:

- Fill out all required fields in the application before submitting for review
- Only the Primary Presenter will be notified of the status of your submission by **April 10, 2020**
- Presentations will be an hour-long including questions and answers.
- We are pleased to offer a 50% discount on registration fees for all presenters. Fee for each presenter is \$200. Please limit the number of presenters to 4.
- Presenters are responsible for travel, accommodations, and expenses incurred for travel (i.e. travel expenses will not be reimbursed)
- Contact Laura Jackson, [laura@pfccpartners.com](mailto:laura@pfccpartners.com), for any questions regarding the proposal process

### Who should submit a proposal?

The 10th Annual Patient Family Centered Care Conference will feature a dynamic faculty of experts, innovators and patients and families working in healthcare organizations across the country dedicated to practicing Patient Family Centered Care. Since its inception in 2010, the PFCC Conference has included Patient Family Advisors as educators on the conference faculty.
