

Spotted Lanternfly Management Workshop

For large land owners/managers

How to protect your property?

What is being done?

What can be done?

How can you help?

If you want answers to any of these questions, please join us for this special workshop organized for large land owners/managers like you. Discussion items will include background information on the invasive planthopper, current study results from the PA Dept of Ag and USDA and tips & techniques to protect your property's trees, crops and other natural resources.

Presenter: Emelie Swackhammer, Penn State Extension
