This newsletter: The Friends of Waccamaw Library's digital newsletter (sent on the first and 15th of each month) aims to let you know what's happening on the Waccamaw Neck and Georgetown (farther afield if it's library-related). This e-communication is sent to all Friends (whose e-dresses we have) and to all who ask to be added to the e-list.

In addition to the programming developed by the library system and the Friends (**in red**), we will cover other opportunities for quality experiences, education and entertainment. **In case we miss things, a list of websites for local organizations is located at the end of this newsletter. We recommend that you check the website links for possible updates, sold-out status, cancellations, and rescheduling information.** The information is organized by date, so scroll down to the date you are seeking. If you are part of a group or organization with news to share, send us your announcement. Keep it short; just the facts. We cannot

reproduce an elaborate pdf with graphics and photos. The key information needed includes: Title of event, Where held, When (date and time), BRIEF description, Benefit for (if applicable), Cost (if any), Contact (phone and email), Website (for more information).

To be added to the e-mail list or to submit an announcement, please send your information directly to the e-newsletter editor Linda Ketron at: linda@classatpawleys.com.

Volunteer Opportunities

Friends of Waccamaw Library volunteer needs:

- **Storage Studs:** We are fortunate to have more books donated than we can keep in our space at the library. Our excess books are kept in boxes at a storage unit but we need help getting them there. If you can lift boxes weighing about 20-30lbs, are willing to pick them up from the library and deliver them to our storage unit or the dump, and be on call then WE NEED YOUR HELP! Contact Pat Robson at pvr0417@aol.com or 704.516.2313
- **Waccamaw Library Garden Keepers.** As Cicero said, "If you have a garden and a library, you have everything you need." We are looking for volunteers to "adopt" a small bed to maintain the weeds. The beds have already been cleaned and prepared. If you are a gardener and want to help care for the grounds at the Waccamaw Library, please contact Dee Phillips at debranch1953@icloud.com.

Friends of Georgetown Library volunteers needed for the summer book sale, Saturdays, through Aug. 30. As in previous years, we will need a couple of volunteers each week to be in charge of the book tables, including greeting customers, keeping the books in order, and taking

care of sales. Volunteers are needed from 8:30 AM to 12:30 PM each Saturday. (By 8:30 AM, tables and books will already be set up; and after 12:30 PM, tables and books will be put away.) If you are interested in volunteering, please contact me at rwilley1019@gmail.com.

The second half of each class will be devoted to student writing. Working from prompts, students will compose their own eco-pieces and receive feedback from the instructor and their classmates in a workshop setting. We will pay particular attention to the concepts of "writing local" and how writers, at any stage in their writing journeys, can contribute to the growing body of eco-lit. ***Please note that your ticket reserves your spot for all three sessions. Daily, through July 20, 9:30 AM-5 PM – Brookgreen Inspires: Women Create presents the beauty and power of Brookgreen Gardens and its collections as seen through the eyes of sculptors, painters, and photographers who are members of the South Carolina Chapter of the National Association of Women Artists (NAWA). Their interpretations of Brookgreen's landscapes, sculptures, structures, animals, and other inspirational views are shown in about 70 artworks juried for this exhibit. The National Association of Women Artists was founded in 1889 to gain recognition for professional women artists in an era when that field was strongly male-oriented. It sponsors exhibitions, awards, and prizes, and organizes lectures and special events. Brookgreen's founder, Anna Hyatt Huntington, and many of the women artists in Brookgreen's collection were and are members. Exhibit open daily in the Rosen Galleries. Free with Garden

admission, www.Brookgreen.org.

Daily, through Sunday, August 10, 9:30 AM-4:30 PM. *Up, Down, Near and Far* at Brookgreen Gardens features a series of photo-based images by Kirsten Hoving presented in unconventional ways. The “Down” and “Near” portion of the exhibition focuses on what we see when we look closely at what is at ground level. These images of flowers and vegetation have been printed on silk organza that is then mounted over paper prints in a shadowbox format to create nearly abstract, nearly three-dimensional mirages. Glimpsed details of shapes combine with washes of color to evoke dreamy feelings of being immersed in a natural world that is more felt than seen. The “Up” and “Far” portion of the exhibition emphasizes distant cloudscapes and forest scenes. Large photo-based collages of clouds and free-flowing kinetic photographs on silk of abstracted reflections of trees in moving water encourage us to consider additional ways of thinking about our place in nature. Kirsten Hoving is a photographer and multimedia artist from Charleston, SC, whose art balances on the edge between the recognizable and imagery that is just beyond our grasp. With a PhD in art history from Columbia University, Hoving had a long career as a professor and scholar of modern art, with books and articles on many topics, including Surrealist photography and the assemblages of Joseph Cornell. Those interests heavily influence her creative practice. The exhibition will be on view in both the Ron Daise Auditorium and the Lowcountry Gallery, free with Garden admission. www.Brookgreen.org.
