PROGRAM BACKGROUND:

The **SAMO Youth** Program provides paid work experience and mentoring for diverse college students. The goals of the program are to create a developmental work experience for underrepresented students that:

- 1) Promotes an ethic for conservation and stewardship.**
- 2) Introduces students to careers in public service.**

PARTNERSHIP:

The **Santa Monica Mountains Fund** works to protect and encourage appreciation and understanding of the **Santa Monica Mountains National Recreation Area**. The Fund supports the National Park Service efforts in education, science, research, improving facilities, community engagement, stewardship and philanthropy.
