OPEN LETTER TO OUR SHOPPERS

March 26, 2020

Dear South Pasadena Farmer's Market Customers:

First of all, thank you all for your loyalty and ongoing support of our market. These are challenging times for us all, and as a community, we will get through this together.

Today, the South Pasadena Farmer's Market will be open from 4 pm to 7 pm at our regular location.

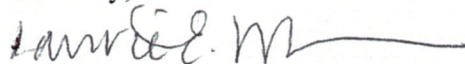

Farmers markets are considered an essential service, similar to a grocery store. We are working closely with the L.A. County Department of Public Health to follow their protocols.

Our local police department will be onsite periodically today to ensure everyone is in compliance.

To our shoppers, please respect new policies for social distancing. Plan on being patient with these changes and expect longer wait times than usual. Our farmers and packaged food vendors will be present, but no hot foods.

Thank you to everyone in our community.

Sincerely,

Laurie Wheeler
South Pasadena Chamber of Commerce
