

The world's largest one-day leadership event is right around the corner and we are excited to share an **exclusive offer for our members**.

Since it is too late to do a live broadcast on May 10th, please know that you can simulcast Leadercast Live 2019 on any date of your choice! Currently we are **offering 25% off any Flexcast purchased before May 9th, 2019**.

Benefits of Flexcasting:

- Simulcast the full event in one day OR break it up into segments and show individual speakers on different dates
- Private access to view the content for 1 full week prior to the date of your Simulcast
- Create curriculum around different speakers and incorporate breakout sessions for collaboration
- Final balance due 30 days prior to the event date (deposit due on signing)
