Dear Sir or Madam,

The youth ministry at Paradise Valley United Methodist Church is preparing for its 2018 summer mission trips and youth choir tour. This year, our youth mission trip will take over 25 students on a week-long trip, serving people in the Houston area. Throughout the week, they will help rebuild homes devastated by Hurricane Harvey.

Our youth choir will be going to Las Vegas for their 2018 tour. They will be sharing their gift of music with elderly care facilities, local churches, and other community organizations.

Finally, our junior high ministry will be attending an age-appropriate summer camp in Glorieta, NM.

As a fundraising event for these exciting events, the youth will be hosting a dinner and auction on Sunday, March 25, 2018 at Paradise Valley United Methodist Church. This is where our students need your assistance!

We are in need of donated items and are asking for your support. Any gift certificate or new item (no gently used items, please) would be valued and much appreciated. We must have all items no later than Friday, March 16. All donations will be auctioned off on March 25. Proceeds raised from this event will be used for youth mission and outreach events, listed above. Sponsors and contributors will be listed in the evening program material and to the greatest extent possible in advance promotional materials.

Sincerely,

Christopher Wurpts, Youth Ministries Director
