# CHILDREN'S PROGRAM DESCRIPTIONS

## Storytimes

### **Babytime (Ages 0-18 mo.)**

Delight in a cozy, interactive storytime experience tailored for our youngest listeners, where stories, gentle rhymes, and music enchant little ones and their caregivers alike.

### **Ms. Kirsten's Storytime (Ages 2-4)**

Join us for a magical storytelling adventure designed to captivate the imagination of toddlers through exciting stories, music, and interactive fun!

### **Tails & Tales Storytime (Ages 1+)**

Join us for a storytime featuring tales, melodies, and furry and scaly friends, as the Leander Animal Services team shares stories and invites children to meet and greet adorable animals!

## Programs for Littles

### **1000 Books Before Kindergarten**

Set your child on a path to literary success with our 1000 Books Before Kindergarten reading program! Dive into stories, collect reading milestones, and unlock treasures along the way. Visit our Youth Services desk to sign up!

## Eclipse Programming

### **Skype a Scientist**

Join us for an intergalactic adventure as we Skype with a scientist exploring exoplanet atmospheres and the quest for life beyond Earth, all while giving YOU the chance to ask questions that unlock the secrets of space! Attendees will receive a pair of solar viewing glasses, while supplies last.

## All Ages

### **Lego Free Play (Ages 3+)**

Join the building fun at Lego Free Play, where kids unleash their imagination, creating marvelous Lego structures. Set up in the Children's Room.

### **Family Open Chess Play**

Our Kids' Open Chess Play is a gathering designed for young chess enthusiasts to come together and enjoy the game in a fun and supportive environment. Unlike structured lessons, this program is a casual meetup where budding players can engage in friendly games against one another. No registration required.

### UPCOMING:

### **SUMMER READING PROGRAM**

Pack your books, Adventure Begins at Your Library on **June 1st!** Blaze through reading challenges, gather around for special performances, and track your reading for a chance to win incredible prizes. Get ready to make memories, form new friendships, and set up your book base camp at the Leander Public Library. More information to come.

## Children's Activities

### **Homeschool Makerspace (Ages 4-10)**

Homeschooling families can meet and socialize through hands-on learning and STEM Activities. Check out our Facebook page for a list of April's activities. Come and be a part of this vibrant community where curiosity knows no bounds. All materials will be provided. No registration required.

### **Bow Wow Reading (Ages 5+)**

Empower hesitant readers by providing a safe, cozy space to read with a trained therapy dog, fostering confidence and enjoyment on their reading journey.

[\\*Sign up for a 15 minute time slot at tinyurl.com/bowwowgracie](https://tinyurl.com/bowwowgracie)

### **Pokémon Club (Ages 6 - 11)**

Drop by Pokémon Club, a come-and-go program where kids can trade cards, engage in battles, and immerse themselves in the thrilling world of Pokémon! No registration required.

### **Dungeon Crawlers Club (Ages 8 - 11)**

Learn and play different roleplaying games such as Dungeons & Dragons, Hero Kids, and more! February will feature an exciting Dungeons & Dragons one-shot adventure for 3rd to 5th graders! Discover the magic of storytelling and teamwork as you embark on a thrilling quest into the world of D&D.
