PSAT Testing

Looking ahead, the PSAT is on **Wednesday, October 9**, at 8 a.m. for students in grades 9-11. The time for students to finish varies; some can finish in as little as three hours, while others may take up to four and a half hours. Students are dismissed after the test concludes. There are no classes on this day. Buses will run at their regularly scheduled times. Seniors will have their retreat on that day since they do not take the PSAT.

I look forward to seeing you all this weekend. Thank you for being a part of our community.
As always, feel free to contact me with any questions or concerns.

Kind regards,

Tom Torrance, Director of Upper School
