A Message from your Director

Lower School Families,

It was a SPIRIT-FILLED WEEK here in El Pomar as our Lower School students participated in homecoming-themed days and prepared for our Homecoming game tomorrow morning! I want to personally invite EVERY Lower School family to attend the Upper School girls' volleyball Homecoming game at 11:00 a.m. on Sept. 28 in Tutt Field House. We will have a class competition for attendance. Following the game, we will all gather in the lower lot of El Pomar for a cookout sponsored by [CSS Booster Club!](#) Come relax, enjoy the company, and cheer on our mighty Kodiaks!

This week our classrooms were buzzing with activity and beautiful instruction! Our Kindergarten class worked on their first project in English Language Arts. They designed and constructed their own unique toy in the culmination of their Toys & Tools unit. It was phenomenal to see their creativity and innovation! Our LS Student Council (STUCO) met for their first Council Meeting. Students brainstormed ways they would positively impact the school community during their 24-25 term. Watching these young leaders blossom, have such sophisticated conversations, and have a platform to bring their ideas to fruition is exactly what leadership is about at CSS!

As always, if you see or feel something is ever falling short of our Kodiak product promise, reach out to me personally (early and often). All of our Kodiaks deserve the best educational experience possible, and it takes a partnership to ensure that happens each and every day! I am thankful for all of your continual feedback and communication.

I hope to see each of you at the Homecoming game on Saturday! Enjoy your weekend and....GO KODIAKS!

Erin K. Cerezo
