This Week in PreK 1 & 2

Greetings PreK Families,

This week the PreK 2 classes reflected on their visits around the CSS campus. Each student drew a picture of someone they enjoyed meeting last week (see below). Our PreK 1 class has been sharing a lot about their families. Each student created their own family collage. There is a lot of community and sharing taking place every day in the ECC.

This week all preschool classes started celebrating Hispanic Heritage Month. Students will be exploring the culture through its music, dance, food, and art. It is sure to be a very exciting month of learning!

Thank you to everyone for participating in the CSS spirit week. It was exciting to see all the teachers and students dressed up each day for the themes.

Thank you,

Serena Odierno,
