Click here for Google Translation of 5% List Click here for Google Translation of 10% List Click here for Google Translation of 20% List Click here for Google Translation of 25% List
Section 301 - FOUR Tariffs targeting Chinese intellectual property violations	New List 4 comprised of $325 billion of Chinese exports to the US. To be subject to 25% tariffs, after notice, comment, hearings – timing has not been announced, nor has the list of China exports targeted. However, in light of the exports covered by Lists 1, 2 and 3, the new List 4 would cover virtually all remaining China exports to the US – apparel, footwear, consumer electronics, etc.
