

## ***Expressing Our 12 Lights With Divine Audacity***

Affirmations for each Light to help us embed the Lights and their functions in our consciousness, creating new ways to see and do things differently.

### **The Lights of Imagination, Faith and Love**

I remember that all possibilities begin with my great capacity of IMAGINATION, through which I envision the good I desire

By the power of FAITH, I have inner vision. I can see beyond appearances to the truth. By faith, I trust what I cannot yet see. As circumstances unfold, I remain faith filled and faithful.

The unifying power of DIVINE LOVE heals my thoughts of separation. I hold my heart open to all people.

SONG – *I Choose Love* by Sue Riley

### **The Lights of Order, Strength and Power**

May I recognize a stunning ORDER within the ebb and flow of life. When I have questions about my life and circumstances, I softly attune to the rhythm of life and learn of the steady, sure guidance that is ever-flowing.

In the knowledge of my Divine Nature, I find spiritual STRENGTH to be an endless inner resource. In times of confusion and change, I stand strong and sure, steady and ready to bring clarity and resolution.

By my divine nature I cannot be powerless or ill. I am the POWER of concentration, self-mastery, and spiritual authority. My source of power is divine power.

SONG – *Amazing Things* by Michael Gott

## **The Lights of Zeal, Release and Life**

I am in the presence and radiating the power of ZEAL AND ENTHUSIASM, here and now. I never have to wait for circumstances to improve to experience and express joy, for the joy of zeal is one of the ways I know that I am one with God

Easily, gracefully, I RELEASE what has passed so that I am free in this moment for all that is possible now. In trust that the helpful, useful content of my past has carried over into the present.

The light of DIVINE LIFE pulsates through my body, blessing and strengthening every structure and space, every atom and system. I celebrate the wholeness of divine life in my body.

SONG – *Spirit is Joy* by Rev. Blair Tabot

## **The Lights of Understanding, Wisdom and Will.**

Illuminated by the light of spiritual Understanding, I radiate peace to bless every being in the world. I focus upon the truth that unites us all, the divine origin and essence we share.

I am in the presence and radiating the power of WISDOM, here and now. May I see, hear, and sense all that I need to know for the moments ahead, flowing from infinite, universal divine wisdom. I discern and decide in trust.

Centered in Spiritual WILL, I affirm my capacity to choose. Guided by my companion powers of understanding and wisdom, I am able to draw from infinite possibilities the key idea that is mine to do. Commitment is the sustaining power of will.

SONG – *I Am the One Within You* by Karen Drucker

“People are like stained-glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their true beauty is revealed only if there is a light from within.” Elisabeth Kübler-Ross

## **Closing affirmation -**

Today I will accept the truth about myself. I will arise in glory and allow the light in me to shine upon the world throughout the day.
