September 17, 2018

Thank you for assisting People to People by promoting our Middle School Exchange Program with Esslingen, Germany. Anything you do such as morning school announcements, mentioning the program to your classes, posting the handout on your bulletin board, putting it in the school's newsletter, reminding students to check out our website is appreciated.

**There will be a meeting at Mead Public Library, Rocca Room, on Tuesday, October 30, at 6:30 p.m. for any parents or students who would like more information about our exchange program.**

If you have students who have questions, I would be available to stop in and meet with the students.

Thank you,

*Ann Keckonen*
