

## News from the High School Counseling Office

Christine Voice, School Counselor & College Advisor

2018 Wisconsin School Counselor of the Year

President, Wisconsin Association of College Admission Counseling

### National College Fair in Milwaukee; Sept 30

On Sunday, September 30th, the National Association of College Admission Counseling will be hosting a National College Fair from 3-6pm at the Wisconsin Center. Over 250 colleges and universities will be in attendance; there will also be presentations on essay writing, financial aid, and the college search. This is an awesome opportunity to connect with admission professionals from across the country. Students should pre-register at [nacacfairs.org/attend](http://nacacfairs.org/attend)

### College Representative Visits

Throughout the year, Kohler High School will host admission representatives from different colleges and universities. Students should check Naviance and listen to announcements for details. These representatives support the admission process and are great advocates on the college side. If you are potentially interested in attending one of these schools, it's very important to meet with the rep to learn about courses, the application process, and scholarship opportunities. Most meetings happen during Bomber Time in Mrs. Voice's office.

### Upcoming College Rep Visits @KHS

September 18- Marquette University

September 20- Marian University

October 2- Vanderbilt University

October 19- Lakeland University

October 25- Concordia University Wisconsin

October 26- Loyola of Chicago

October 26- University of Nebraska-Lincoln

October 29- Northern Michigan University

### Senior Parent Night; September 24

Parents of KHS Seniors are invited to learn more about the college application process. These meeting will be held at 6:00pm in the Band Room. Mrs. Voice will lead a presentation and discussion covering graduation requirements, post-secondary options, and the steps involved in the college application process. If you are unable to attend, the presentation will be available electronically following the event.

### Guidance in the Classroom

Mrs. Voice will be in English 9 the second week of school to review graduation requirements, semester grades, weighted GPAs, and the high school course guide. Mrs. Voice will also be in the freshmen health class discussing 'See Something, Say Something,' suicide prevention, and 'Acknowledge, Care, Tell.'

### College Application Bootcamp Success

On Tuesday, August 21, Mrs. Voice hosted 38 of our seniors for the College App Bootcamp in which students worked towards completing the Common Application, the UW System application, and received essay writing support. Mark Swensen, UW Madison Admission Representative, gave a presentation on writing strong essays as well as giving direct feedback to students' current essays. We are impressed with student participation and application completion!
