

5Essentials

Dear Parents and Guardians,

Beginning this week, teachers, parents, and students across the Archdiocese will have an opportunity to participate in the Climate, Culture, and Catholic Identity Survey utilizing the 5Essentials Survey. This survey is designed to generate a detailed picture of the inner workings of your child's school. As a parent, this opportunity will allow you to share your thoughts on the important elements of school effectiveness in a survey about your child's school.

The 5Essentials Survey will be administered online by UChicago Impact at the University of Chicago. The survey gathers data related to five indicators that can predict important student outcomes, including improved attendance and larger test score gains. These five indicators that affect and predict school success are:

- Effective Leaders
- Collaborative Teachers
- Involved Families
- Supportive Environments
- Ambitious Instruction

Prior research has shown that schools that were strong on at least three of these "5Essential" indicators were 10 times more likely to improve student learning gains in math and reading than those that were weak on three or more Essentials.

All teachers and **4th through 12th grade students** will be responding to this survey. 5Essentials Reports will be generated for schools if their teachers and/or students meet the response rate threshold of 50 percent. These reports will be sent to schools and districts in **May 2021**.

Additionally, our district has chosen to provide the 5Essential parent survey. If at least 20 percent of St. Giles parents complete this survey, a parent supplement report will also be generated. Please take some time to answer questions on the survey so that we can receive a full report.

Your participation in the parent portion of the survey will help us understand your perception of conditions at St. Giles and guide improvement. Your identity and survey responses will be kept completely confidential and will never be connected to you or your child.

The 5Essentials Survey will be conducted **February 23 – March 19, 2021** To take the survey please visit <https://survey.5-essentials.org/archchicago/survey/parent/>.

Sincerely,

Meg
