

Dear Parents,

In preparation for the Black & Gold Pride on March 11, 2017, I am reaching out to find hosts for great grade parties and all school parties for next school year. These parties are very popular and raise about \$10,000 for the school! St. Giles loves to facilitate fun activities for parents to enjoy each other. At the Black & Gold Pride, sign ups for parties will be available but we like to have hosts and dates set so people can sign up for these events! Parties are also available to sign up online and through Enews even after the Black & Gold.

Great grade parties are hosted in someone's home, by one or more family in each grade for the parents of that grade to attend. Each party costs \$25/person and is a great way for parents to mingle without kids.

All school adult parties are hosted by one or more families as well. There have been a variety of all school adult party themes if you are interested in hosting one of these. You can be creative and propose your own theme for an all school party or repeat a party from previous years! Theme parties have included: Red Carpet, Chirstmast, Rodeo, Dodgeball, Toga, and Men's Night out at the Chancery. Some new ideas: Bad Moms, Alumni Parents or Inflatable Ball Party.

Please contact me if you are interested in hosting the great grades party for any of the kindergarten through 5th grade classes or an all school party. It is important that I get hosts and dates lined up by February 9<sup>th</sup> for all parties for the Black & Gold Pride on March 11!

So much fun to be had with St. Giles parents-- thanks to all of the generous volunteers that offer to host these parties!
