

# TEMPORARY UHILLS TENNIS RULES

*Adopted May 18, 2020*

- Singles play only. Doubles play does not allow for 6-foot distancing.
- Any other activity on the tennis courts is prohibited.
- All players must agree to NOT play if they have any symptoms or exposure risks as listed by the Centers for Disease Control Guidelines.
- All players must agree to practice social distancing at all times by standing at least 6 feet apart.
- All players must agree to NOT congregate around the courts.
- Avoid physical contact such as handshakes or high fives.
- The tennis courts are open for play seven (7) days a week, from 7:00 a.m. to 10:00 p.m. on a first-come, first-served basis.
- All existing University Hills tennis court rules still apply.
- Players must use their own balls. The US Tennis Association recommends using two different cans of tennis balls, with one player utilizing one set of numbered balls and the other player using the other set of differently numbered balls and discarding them after use. Use your racquet/foot to pick up balls and hit them to your opponent.
- Do not share racquets or personal equipment.
- Avoid touching benches, fences and other court amenities.
- The restrooms are not available for use.
- Players must provide their own drinking water (do not share water). All water will be shut off.
- Please consider bringing your own hand sanitizer and using it after touching any surfaces in the court areas.
- All common use equipment (brooms, trash cans, etc.) have been temporarily removed from the court area. This is being done in order to reduce the risk of spreading the COVID-19 virus.
- These rules are intended to temporarily supplement existing tennis rules.
- Where there is a conflict between the existing rules and the temporary rules, the temporary rules prevail.
