Notarize Your Advanced Health Care Directive

The Office of Health & Wellness, in partnership with UCI Health, offers free notary public services to assist individuals 18 and older in formalizing an Advanced Health Care Directive. An Advanced Health Care Directive allows individuals to identify their legal healthcare agent and communicate their healthcare wishes clearly to their medical team and their loved ones. A licensed clinical social worker will also be available to provide information and answer any questions.

Make an Appointment

Appointments are 30 minutes long and are held on the **second Tuesday of the month between 9 a.m. and 12:30 p.m.**, and the **fourth Tuesday of the month from noon to 3:30 p.m.**

Please bring a valid form of identification (driver's license or passport) and a completed Advanced Health Care Directive form to your appointment.
