SCHOOL MANAGEMENT SYSTEM

Sycamore Education is our primary communication tool! It is a one-stop-shop for everything you need to know about OCA such as the master school calendar, family directory, student information (schedules, grades, and attendance), lunch menu, Pass-a-Note system, forms, documents, links and much more. The simplest way to interface with the Sycamore Education system is to download the mobile app on your smartphone via the app store. Simply search for Sycamore Education. To sign in, use OCA's school number (1109) and enter your username and password. If you do not remember your personal login information, please contact the school office at 402-399-9565.

Each Friday, you will receive a News and Notes e-newsletter with important announcements for the upcoming week. If you do not receive this communication, please contact the school office to subscribe with your current email address. Grandparents and friends may also subscribe. These newsletters will also be archived on SycEd. (Email will not be overly used. It is important that you engage on SycEd.)
