MINISTRY TEAMS

September 2026

Hello!

Thank you for joining me and believing in the mission of Harvest alongside me, Suzanne, and our family.

God's calling on my life to serve in this unique way has always guided me, and it continues to do so today.

Your prayer & financial support accomplishes two important goals. First, it allows me to serve in this capacity alongside the role at my home church in Troy. Together, these two roles have provided the foundation for ministry since the mid-1990s. Second, your giving enables Harvest to continue its mission of reaching the next generation, developing ministry leaders, and traveling to serve the wider church.

We look forward to continuing this journey together, praising the Lord for the opportunities ahead.

Many who aspire to leadership fail because they have never learned to follow. - Oswald Chambers

So let's not get tired of doing what is good. At just the right time we will reap a harvest of blessing if we don't give up. Gal. 6:9

Coming Up...

We're praying for Harvest as we keep moving forward this fall. Here are a few things:

- Changed lives in the name of Christ at the two Fall Rally events: Anderson, IN on October 17 and Troy, IL on October 24. This is a one day event for students in 6th-12th grades.
- Other ministry events and leadership opportunities this fall: United to Revive, Collinsville, IL; Women's Conference in Carlinville, IL; Bethel Baptist in Jerseyville, IL; Sardinia Baptist in Sardinia, IN; Fan the Flame Event in Marion, IL and more.
- Prayer as we plan and prepare for the 2027 Kids Conferences, Fire-Up (February 26-28) and next summer's ministry team members and scheduling.

One Line Testimonies & Celebrations...

"Amazing to see so many students and children respond to call of Jesus during ministry events this summer."

"There's so much joy in traveling as a team in ministry - the music, leadership and serving as well as the meals, the conversations, devotions, prayer and fun times."

"There's nothing quite like Harvest Ministry. It's an unusual organization with the power to share the love Christ close up and personal with an entire generation throughout this region."

"You have a good thing going through Harvest - keep up the good work!"

"Part of what it means to live out the Christian faith is to be sent! Praise the Lord for the strong team of partners to send Harvest to serve."

Summer Ministry Thank You To...

It's also to RAISE UP future ministry leaders in the church.

All glory to God! Let's keep doing it!

Harvest is available to come to your church.

We'd love to come share music during your worship time on Sunday, lead a worship concert some evening or be a part of a special event in your ministry.

A great first step is to text and we can explore your vision for the event and talk through details. (Harvest: 618-243-7476)
