Empowering lives since 2001.

US CEILING CORP

Based in Rochester, N.Y., with a growing presence in Ithaca, **US Ceiling Corp is an award-winning, MWBE social impact contractor** who specializes in interior commercial, multifamily and residential construction. People-focused and purpose-driven, we partner with like-minded organizations to provide skilled trades training and employment opportunities to marginalized individuals through our workforce development program, USC Academy—helping people build economic self-reliance and inclusive, equitable communities that thrive.

Diversity is in our DNA.

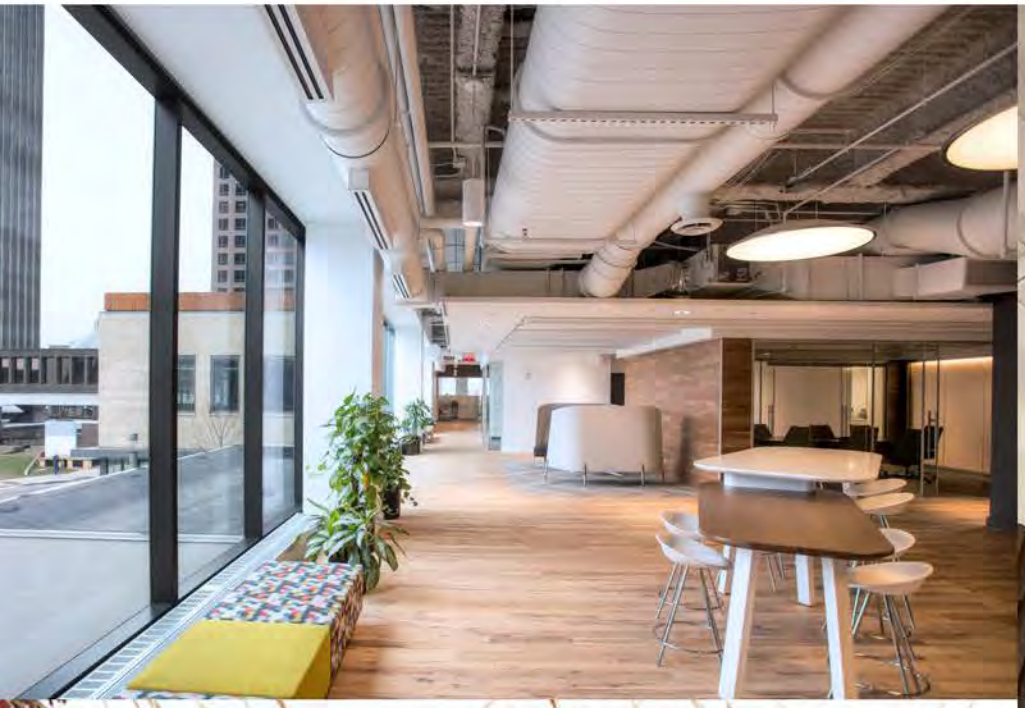

For us, diversity isn't a talking point; it's the reality of who we are. We're proud to be a leading-edge M/WBE [Minority- and Woman-owned Business Enterprise]. **We lean on our diverse backgrounds to better serve our clients and strive to foster and promote diversity in the construction industry.**

CIty of Rochester
2023 MWBE
Champion Award

Innovating smart solutions to help your bottom line.

After more than two decades in the construction industry, we know how to expertly analyze designed building features, systems, equipment and material selections, and innovate smart solutions. **Some call it value engineering. We call it being a partner you can count on and trust**.
