US CEILING CORP

2023 *by the numbers*

Thank you for supporting our small business all year!

By choosing us to work on your construction projects, you help catalyze meaningful impact in our community and enhance our mission of **empowering lives where we live and work**.

We helped build

373

AFFORDABLE HOUSING UNITS

Affordable housing serves as the cornerstone of stable communities. **By making housing accessible, families are empowered to channel their resources towards education, healthcare and personal development—fostering a cycle of opportunity and prosperity for generations to come.**

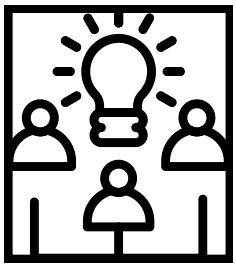

We created

35

NEW JOBS IN OUR COMMUNITY

Job creation empowers individuals by providing a sense of purpose and economic stability. **Through meaningful work opportunities, we strive to foster a stronger, more inclusive community, where individuals can contribute, grow and collectively thrive.** This year, our talented and diverse team grew with the addition of 26 field crew members and nine corporate office hires.

We provided

34,691

HRS. OF PAID SKILLED TRADES TRAINING

A skilled trades career offers the pride of contributing to our community's built environment, while enjoying in-demand, well-paying jobs. **Providing opportunities for hands-on learning and career advancement empowers our team to continue finding a fulfilling path where their skills are both valued and essential.**

We donated to

16

CHARITABLE ORGANIZATIONS

Supporting charitable organizations aligned with our mission reflects our unwavering commitment to social impact and giving back. **Our contributions aim to uplift marginalized communities, creating a ripple effect of empowerment, improved well-being and a collective dedication to building a better future.**

Ready. Set. Empower!

Let's continue building impact—together.

In 2024, **our commitment to empowering lives continues to be our driving force**, ensuring valued partnerships and transformative, community-serving projects and initiatives.
