

FULL-SERVICE PROVIDER OF ELECTRONIC SYSTEMS

Profile #1118

This B2B service company installs and services fire alarms, security alarms, and communication systems. It is well known in the industry for providing best in class design, engineering, installation, and monitoring services throughout the state of Colorado. Thriving since its inception over 30 years ago, the company has prized relationships with large organizations that rely on its expertise in new installations and ongoing service.

The company has metered its growth in order to fit the lifestyle of its current owners. However, as a trusted and respected supplier to many large organizations, the company is positioned for growth. This company represents a valuable add-on or stand-alone investment for companies already operating in a similar space or a private investor seeking a stable platform in a growing market.
