## Our Programs:

In addition to our quality before and after school care, Champions offers a wide variety of different programs to offer care when no school is offered!

- **Early Release Care –** For days when students only report for a half day
- **No School Day Program –** When schools are closed completely and students have the day off
- **Break Programs –** We offer full day programs during winter break, mid-winter break and spring break
- **Inclement Weather Days –** We run a full day program (lunch included) when school is cancelled due to weather

*Keeping children engaged and learning is what Champions does best!*

We have designed a curriculum that brings out the best in your child and helps her develop stronger problem-solving, teamwork, leadership, and life skills. Your child will be inspired to explore their curiosity through engaging activities that foster mental, physical, social and emotional growth.

**CHAMPION**  
BEFORE- AND AFTER-SCHOOL

# Curriculum Information

## Social-Emotional Development:

With daily lessons in community building and character development, we help your children foster the kindness, empathy, and fairness that is so critical to succeeding in school, building resiliency and making new friends.

## Executive-Function Skills:

Children learn better when they are focused and able to think before they act. Our curriculum provides opportunities for your children to build mental flexibility so they can meet challenges and accomplish their goals.

## Inquiry-Based Learning

STEAM activities (Science, Technology, Engineering, Arts and Math) give your child the freedom to discover, create and tinker. Like you, we want to encourage that natural fascination with the world and empower your child to build innovative and critical-thinking skills that will last a lifetime.

## Homework Help

Whether it's a science project, spelling test, or book report, our teachers are here to support your child in completing homework – which frees up time in the evenings for you to be together.

**Safety comes first!**  
Keeping your child safe  
is our #1 priority!  
Performing 30-minute  
face-to-name roll calls,  
monthly safety drills, and  
strict sign in/sign out  
procedures ensure that  
your child is always  
secure in our care.

During **Inclement Weather and Snow Days**  
Champions run's a Full Day program at Tipton Academy East 1615 Belton in Garden City, MI 48135  
Hours: 6:30 a.m.-6:30 p.m. & Marshall Upper Elementary School.
