

Sacred Heart PTO Presents: Fundraising Opt-Out Form

Fundraising is a necessary part of any non-profit organization. The PTO Uses its fundraising dollars to pay for all school field trips, assemblies, classroom parties, our amazing teachers' wish lists and other needs they have, as well as many other enriching programs and activities for our students.

This year your Sacred Heart PTO is going to do things a little bit differently. We understand that everyone is busy and for some of you it becomes a real pain to try and participate in EACH AND EVERY fundraiser that we have but you would still be willing to contribute in another way.... So, because we all know that the fundraising can become a little overwhelming your Sacred Heart PTO has come UP with an alternative....

Historically, we have had a good deal of success with our fundraisers, Great American (cookie dough), Magazines, Buffalo Wild Wings and many others. However, we realize that buying and selling items isn't necessarily for every family, so, the PTO has decided to provide a fundraising opt-out option for those families who want to support the vital programs and events that the PTO provides without having to solicit friends and family members. The donation will be \$250 (minimum) and we would still welcome your participation in other fundraisers we have throughout the year, however this is the number PTO has come up with in order to still sustain the programs we do for the teachers, students and school. This donation option is meant to provide the SH families with an opportunity to help the PTO directly without having to sell products to do so.

We so greatly appreciate your donation of \$250 and, as your PTO, will work hard to invest your contributions back into the school and our children. As always, we greatly appreciate anything you are willing to contribute above the \$250 if you feel so inclined. It is important to note, that you will continue to receive fundraising information due to the nature of the school's information distribution system. Keep in mind, if this option is successful PTO will do less "product" fundraisers.

Thank you for being such an integral part of the PTO and Sacred Heart School!
