Easier, faster and more confidential than paper.

Apply for meal benefits for your children

LunchApp.com allows you to easily apply for meal benefits for your children. Click Start An Application and LunchApp.com will walk you through the process in just a few minutes. Your completed application will be sent to your school district so your children can receive benefits quickly and confidentially.

Applying online is fast and secure, but you can apply in writing if you want. Contact your school district for the necessary paper application.

We're your online application experts

LunchApp.com was the first web site to allow online applications for school meal benefits. We pioneered the process and worked with the USDA to introduce it to parents in 2005. When you use LunchApp.com, you're working with a leading school food service software provider that knows the importance of your time and privacy.
