

IRCC VIRTUAL LEARNING SERIES FOR EMPLOYERS IN WESTERN CANADA

Learn about how Canada's immigration programs can help you hire foreign labour.

We're hosting a series of free, 30-minute information sessions for employers in Western Canada. You'll learn about Canada's economic immigration programs and resources to help you attract, hire and retain global talent.

- + **The Temporary Foreign Worker Program:** Learn about the work permit application process when you hire a worker through the Temporary Foreign Worker Program with a Labour Market Impact Assessment.
- + **Hire a Worker Without a Labour Market Impact Assessment:** You can hire a temporary worker without a Labour Market Impact Assessment through the International Mobility Program, if you're eligible.

Learn more about eligibility, how to submit an offer of employment and next steps.

- + **Global Talent Recruitment Strategies:** Find services and resources to help you attract, hire and retain qualified workers from around the world. Learn tips and tricks to make hiring easier.
