

# Caregiver's Corner

An Online Support Group for Caregivers

Caregiving for a loved one can be both very rewarding and undeniably challenging. And doing so while being asked to practice physical distancing can make it even more difficult. Join us for this online support group to connect with other caregivers in a safe, supportive environment. Share your experiences, or just come to listen, as we discuss caregiving during a time of uncertainty and isolation.

Every other Thursday  
Starting May 21st  
2pm-3pm
