YES, I'M A REALTOR®.

AND YES, I'M STILL PERSONALLY HELPING
CLIENTS WITH THEIR MORTGAGES.

Working in both mortgage financing and real estate gives me a broader view of the decisions that affect your home and finances. Whether you're buying, renewing, refinancing or making decisions about the equity in your home, you'll get experienced advice, straight answers and a strategy tailored to your life and goals.

I've been helping people make smart home-financing decisions since 1998. In 2006, I founded Verico One Mortgage Corp., where I remain Owner and Broker of Record, leading a team of mortgage professionals from our Grimsby and St. Catharines offices. With nearly three decades of mortgage experience, plus the added perspective of a working REALTOR®, you're getting practical solutions and knowledgeable guidance directly from me, backed by the support of a strong mortgage team.
