# WE LOVE OUR LOCAL RESTAURANTS

## WE WANT TO SUPPORT LOCAL

We want to support our local restaurants so we are ordering delivery and takeout more during the pandemic.

## BUT IT'S EXPENSIVE

The big delivery companies are making a killing, charging up to 30% commission to the restaurants and up to 10% service fees to the customer.

## NO COMMISSION

Dine Niagara charges NO COMMISSION to our restaurant partners. They pay a low flat fee of \$50 per month to cover the costs of running the platform.

## NO SERVICE FEES

We do not charge any service fees to our customers. What you pay goes directly to the restaurant.

## SUPPORT LOCAL. BUILT IN NIAGARA FOR NIAGARA.
