ABOUT EACH INITIATIVE & EVENT

GRIMSBY CONNECTED: ELECTION SERIES (PODCAST)

A non-partisan podcast series designed to help the community better understand the municipal election process, local governance, and issues impacting Grimsby. Episodes will feature educational discussions, election updates, and community-focused conversations intended to inform and engage listeners in an accessible and approachable format.

ALL CANDIDATES MEET & GREET IN-PERSON EVENT

A casual, community-focused networking event designed to encourage respectful conversation and direct community engagement in a relaxed, accessible environment. Attendees will have the opportunity to introduce themselves, ask questions, and learn more about the individuals seeking elected office.

POWER HOUR: MUNICIPAL LEADERSHIP PANEL

THURSDAY, OCTOBER 8 | 4PM | COMMISSO ESTATE WINERY

A premium in-person, paid event. This moderated panel-style discussion will provide attendees with the opportunity to hear directly from candidates on topics impacting the local business community. The event is designed to encourage thoughtful discussion, increase awareness of local priorities, and support informed decision-making in a professional and respectful environment. A networking opportunity will follow the discussion

OBJECTIVES

Through a series of educational and community-focused initiatives, we aim to encourage respectful dialogue, increase civic understanding, and provide meaningful opportunities for connection between the public and local candidates.

These initiatives are designed to support awareness, accessibility, and informed participation while maintaining a neutral, community-driven approach.

- Encourage informed and respectful civic engagement
- Accessible opportunities to connect with local candidates
- Support understanding of municipal government, election processes, and local issues
- Create spaces where business and community perspectives can be shared and heard
