NOTICE: MOUNTAIN ROAD CLOSURES - WATERMAIN CONSTRUCTION

This notice is to advise that Mountain Road will be undergoing a series of closures over the next 2 months.

1. The intersection of Mountain Road and Elm Street will be closed Nightly from October 7th-9th. The road will be closed at 8:00pm nightly and reopened at 6:00am.

2. Mountain Road will be fully closed to traffic (day and night) starting October 13th. Pedestrian access to businesses will be maintained along Mountain Road and we will coordinate with businesses who need access within the closure area.

3. The intersection of Mountain Road and Main Street will be closed nightly for an estimated 7 nights following as we near completion of the works between Elm and Main. The intersection will be reopened each morning at 6:00am, but Mountain Road will remain closed until the work is complete.

During the intersection closures, local traffic will be accommodated, but no through traffic will be permitted. Detour routes will be in place to guide vehicles around the closure.

For the full closure of Mountain Road between Elm and Main, no through traffic will be permitted, but we will work with businesses and residents within the closure area to maintain access as needed.

Contractor Emergency contact number is 905-658-8075

Residents and businesses are encouraged to subscribe to the project page at www.letstalkgrimsby.ca/dr-construction

Should you have any questions or require clarification, please contact our project email DTreimagined@grimsby.ca.

Sincerely,

Martin Reid
