About Community Living:

Community Living Grimsby, Lincoln & West Lincoln is a respected and appreciated not for profit organization that has been providing support to developmentally disabled persons since 1965. Community Living facilitates innovative solutions and strong community partnerships that enable them to provide people with a developmental disability with a wide range of person-centred supports that assist them to live a life of personal achievement, meaningful relationships, dignity, and full inclusion in our community. Community Living is not fully funded and relies on the generosity of donors to keep their programs and services. Through a variety of programs, they support over 300 people, upwards of 1/3 are under the age of 18.
