Are you passionate about your industry? Eager to share insights and learn from peers?

**Consider hosting an Industry Insights session with the Chamber.
It's a win-win for your business!**

BENEFITS OF HOSTING

Connect with professionals, business owners, and industry leaders in your field.
Demonstrate your knowledge and position yourself as an industry expert.
Strengthen relationships within your industry by fostering open discussions.
Increase your business's visibility as a thought leader in your sector.

HOSTING REQUIREMENTS

Provide a relaxed and informal environment for engaging discussions, and fuel the conversation with light fare, creating a welcoming atmosphere.

Nominal Fee: A **\$150 fee** covers Chamber administrative costs (registration, promotion etc.)

SESSION FORMAT

The more relaxed, the better! Foster genuine conversations in an easygoing atmosphere. Enjoy unmoderated discussions and free-flowing conversations guided by a few sparking questions, allowing for organic interactions.

Our **Industry Insights Series** aims to bring together businesses in select and complementary verticals to help you **learn** from the successes and challenges of your peers, **address** common issues and explore collaborative solutions, and **strengthen** connections within your industry for ongoing support.

Elevate your industry, foster collaboration, and be a catalyst for positive change.
