**Phillip Colmar** is a founding partner. He has extensive experience, both as a strategist and economist. Mr. Colmar focuses on global multi-asset investment strategy, trading opportunities, and financial market risks. His expertise is in identifying and developing macro and investment themes. Mr. Colmar speaks at conferences, seminars and client meetings.

Over his career, Mr. Colmar has covered all major global asset classes and has developed comprehensive frameworks, models, and indicators. Prior to forming *MRB*, he was the Head of both the Daily Insights and Global Fixed Income Strategy services at BCA Research Inc.

Mr. Colmar has an MSc. in Finance from Queen's University, as well as a B.A. in Economics and a Bachelor of Business Administration (Finance) from Bishop's University.

**MRB - The Macro Research Board** is a privately-owned independent top-down research firm that provides integrated, global, multi-asset investment strategy as well as actionable absolute and relative return ideas. Our views incorporate a long-term outlook based on in-depth thematic research, together with a rigorous set of frameworks and forecasting models/indicators that drive 6-12 month asset market performance. MRB's team of analysts and strategists leverage the firm's robust research engine and their extensive experience to form one cohesive house view and ensure that investment strategy is articulated in a client-friendly manner.
