

Loyola Adventures in Urobiome Data

<https://ssom.luc.edu/luerec/administrative/laud/>

The Loyola Adventures in Urobiome Data (L.A.U.D.) summer research program will introduce students to ways in which data is revolutionizing research in urinary disease research. Over 8-weeks, summer researchers will gain exposure to current research areas in benign urologic disease, conduct hypothesis-driven research, and develop the skills to synthesize, interpret, and present their scientific research! Summer researchers will work with research faculty, postdoctoral and clinical fellows, medical and graduate students currently engaged in urinary research at Loyola University Chicago.

Program Details:

8 weeks June 2 - July 28
Virtual Experience
\$3250 Stipend

Who Should Apply?

Undergraduate students or recent grads who are interested in: how data drives medical research and clinical practice and/or urology.

Applicants must be U.S. citizens or permanent residents. Individuals who have been accepted to or will be enrolling in a post-bac program in Fall 2021 are not eligible.

Key Dates:

January 1, 2021 Applications Open

March 1, 2021 Applications Due

April 2, 2021 Decisions Announced
